

Dear Ms Marchant,

Consultation for the Council's Budget in 2018/19

The Council is consulting in preparation for its budget for 2018/19. This includes three options regarding Council Tax. There is more information and a questionnaire available on our website –

<http://www.rother.gov.uk/article/12954/Council-Budget-201819>

Public Space Protection Order consultation

We are doing some research and consultation about six anti-social behaviours but there is an opportunity to make your own suggestions. We want to know if the six behaviours are (or are not) a nuisance for you and if a public space protection order might help solve the problem. There is more information and an online questionnaire on our website here –

<http://www.rother.gov.uk/article/12919/Proposed-Public-Space-Protection-Orders>

Both these consultations will run through November and December. You are welcome to share this invitation with other Rother residents.
