

It has been brought to our attention that Royal Mail do not have Johns Cross Road, Johns Cross listed on their database.

We have asked them to add it to their records with the following properties assigned to it:

- 1-4 (cons) & 6 -7 (cons) Barrack Cottages
- Bushygate
- Clematis Cottage
- Foxglove Cottage
- Honeysuckle Cottage
- Jasmine Cottage
- Johns Cross Coachworks
- Johns Cross Farm
- Robertsbridge Container Storage Limited, Johns Cross Farm
- Unit A-C (cons), Johns Cross Farm
- Johns Cross Inn
- Johns Cross Motorcaravan and Camping Centre

- Pumping Station
- Rosedale
- Rosemary Cottage
- Route 1066 Café
- Flat, Route 1066 Café

Royal Mail have advised that this will cause a change of postcode for some properties.

We feel that it is important that Johns Cross Road remains distinct from Battle Road which helps with property location and service delivery and would like to proceed with the request for Royal Mail to amend their database in line with the National Street Database record.

Please let us know if the Parish have any comment in regard to the above course of action which they would like us to consider before we proceed.
