NOTES: Walk leaders must nominate a "back-marker" for their walk, who knows the route and can ensure slower walkers complete the walk and road crossings should be supervised. High Viz jackets will be worn by leaders and back markers. First aid kit to be available. "Walks Length": SHORT is up to 4 miles (6.4 km); MEDIUM is up to 6 miles (9.6 km); LONG is about 8/9 miles (13/14 km), maximum. "Walks difficulty": DIFFICULT includes stiles, gates, substantial inclines and surface maybe slippery; MODERATE includes a few stiles and a few inclines, surface not all solid; EASY includes one or two stiles only, very few inclines —essentially flat. In winter most walks are muddy and walking poles are recommended.
